

# CENNÍK KOAXIÁLNYCH KÁBLOV A KONEKTOROV

| Obj. číslo             | Názov                                     | Popis  | Cena        |
|------------------------|---|--|-------------|
|                        |   |  | EUR bez DPH |
| <b>Koaxiálne káble</b> |   |  |             |
| 6050                   | Aircell 5                                 | Nízkoútlmový 50 ohm koaxiálny kábel 5mm                                  | 2,08 / m    |
| 6070                   | Aircell 7                                 | Nízkoútlmový 50 ohm koaxiálny kábel 7mm                                  | 2,92 / m    |
| H155A01 PE             | BELDEN H155                               | Nízkoútlmový 50 ohm koaxiálny kábel 5,4mm                                | 1,31 / m    |
| H1000C1 PE             | BELDEN H1000                              | Nízkoútlmový 50 ohm koaxiálny kábel 10,3mm                               | 3,52 / m    |
| 60500                  | Ecoflex 5                                 | Nízkoútlmový 50 ohm koaxiálny kábel 5mm                                  | 2,32 / m    |
| 60700                  | Ecoflex 7                                 | Nízkoútlmový 50 ohm koaxiálny kábel 7mm                                  | 4,06 / m    |
| 6080                   | Ecoflex 10 standard                       | Nízkoútlmový 50 ohm koaxiálny kábel 10,2mm                               | 4,86 / m    |
| 60300                  | Ecoflex 10 Plus HTX                       | Nízkoútlmový nehorľavý 50 ohm ohybný koaxiálny kábel                     | 5,04 / m    |
| 60600                  | Aircom Premium 10                         | Nízkoútlmový 50 ohm koaxiálny kábel 10,3mm                               | 4,78 / m    |
| 6090                   | Ecoflex 15 standard                       | Nízkoútlmový 50 ohm koaxiálny kábel 14,6mm                               | 9,96 / m    |
| 60400                  | Ecoflex 15 Plus HTX                       | Nízkoútlmový nehorľavý 50 ohm ohybný koaxiálny kábel                     | 11,58 / m   |
| 60800                  | SeaTex 10                                 | Nízkoútlmový 50 ohm koaxiálny kábel 10 mm pre lodnú dopravu              | 8,35 / m    |
| 60900                  | SeaTex 15                                 | Nízkoútlmový 50 ohm koaxiálny kábel 15 mm pre lodnú dopravu              | 16,05 / m   |
| 7010                   | Ecoflex Multicore                         | Nízkoútlmový 50 ohm koaxiálny kábel viacžilový, multifunkčný, flexibilný | 6,63 / m    |
| 6000                   | RG400/U coaxial cable                     | Nízkoútlmový 50 ohm koaxiálny kábel 4,95mm, PTFE dvojité tienenie        | 7,28 / m    |
| 60100                  | RG214/U coaxial cable                     | Nízkoútlmový 50 ohm koaxiálny kábel 2,25mm                               | 3,62 / m    |
| <b>Konektory BNC</b>   |   |  |             |
| 7721                   | BNC male crimp                            | pre Aircell5, RG58   | 1,92        |
| 7720                   | BNC male                                  | pre Aircell5, RG58   | 2,27        |
| 7722                   | BNC female                                | pre Aircell5, RG58   | 2,27        |
| 7723                   | BNC female crimp                          | pre Aircell5, RG58   | 1,83        |
| 7726                   | BNC female na panel s maticou             | pre Aircell5, RG58   | 3,45        |
| 7727                   | BNC female na panel crimp s maticou       | pre Aircell5, RG58   | 3,65        |
| 7728                   | BNC female na panel 4 skrutky, 18.5mm     | pre Aircell5, RG58   | 3,09        |
| 7729                   | BNC fem. na panel so skrutkami crimp      | pre Aircell5, RG58   | 3,09        |
| 7730                   | BNC reverzný male crimp                   | pre Aircell5, RG58   | 3,25        |
| 7725                   | BNC do pravého uhla male crimp            | pre Aircell5, RG58   | 2,95        |
| 7724                   | BNC do pravého uhla male                  | pre Aircell5, RG58   | 3,00        |
| 7375                   | BNC male crimp                            | pre Aircell7   | 2,45        |
| 7391                   | BNC male                                  | pre Aircell7   | 4,83        |
| 7389                   | BNC female                                | pre Aircell7   | 4,83        |
| 7379                   | BNC male                                  | pre Aircom Plus, Ecoflex 10, Belden H1000                                | 5,86        |
| 7386                   | BNC female                                | pre Aircom Plus, Ecoflex 10, Belden H1000                                | 5,22        |
| <b>Konektory FME</b>   |   |  |             |
| 7807                   | FME male crimp                            | pre Aircell5, RG58   | 1,87        |
| 7808                   | FME female crimp                          | pre Aircell5, RG58   | 1,87        |
| 7805                   | FME male crimp                            | pre Aircell7   | 2,56        |
| 7806                   | FME female crimp                          | pre Aircell7   | 2,56        |
| <b>Konektory N</b>     |   |  |             |
| 7703                   | N female crimp                            | pre Aircell5, RG58   | 3,39        |
| 7701                   | N male crimp                              | pre Aircell5, RG58   | 3,75        |
| 7700                   | N male letovací                           | pre Aircell5, RG58   | 4,13        |
| 7710                   | N reverzný male crimp                     | pre Aircell5, RG58   | 3,94        |
| 7711                   | N reverzný female crimp                   | pre Aircell5, RG58   | 3,94        |
| 7705                   | N do pravého uhla male crimp              | pre Aircell5, RG58   | 4,53        |
| 7708                   | N female na panel 4 skrutky, 25,4mm crimp | pre Aircell5, RG58   | 7,38        |
| 7704                   | N do pravého uhla male                    | pre Aircell5, RG58   | 4,33        |
| 7370                   | N female crimp                            | pre Ecoflex 10   | 5,31        |
| 7371                   | N male crimp                              | pre Aircell7   | 3,88        |
| 7392                   | N male letovací                           | pre Aircell7   | 4,63        |
| 7401                   | N male profí                              | pre Aircom Plus, Ecoflex 10, Belden H1000                                | 6,01        |
| 7367                   | N male letovací                           | pre Aircom Plus, Ecoflex 10, Belden H1000                                | 5,44        |
| 7364                   | N female letovací                         | pre Aircom Plus, Ecoflex 10, Belden H1000                                | 6,01        |
| 7360                   | N do pravého uhla male                    | pre Aircom Plus, Ecoflex 10, Belden H1000                                | 7,12        |
| 7359                   | N male crimp                              | pre Aircom Plus, Ecoflex 10, Belden H1000                                | 5,06        |
| 7366                   | N male crimp                              | pre Aircom Plus, Ecoflex 10, Belden H1000                                | 4,30        |
| 7373                   | N female nespájkovaný, clamp              | pre Aircom Plus, Ecoflex 10, Belden H1000                                | 5,81        |
| 7383                   | N male nespájkovaný, clamp                | pre Aircom Plus, Ecoflex 10, Belden H1000                                | 6,10        |
| 7368                   | N male HTX                                | pre Ecoflex 10 HEATEX  | 6,39        |
| 7360                   | HTX N male do pravého uhla                | pre Ecoflex 10 HEATEX  | 8,76        |
| 7361                   | N female HTX                              | pre Ecoflex 10 HEATEX  | 6,10        |
| 7369                   | N male nespájkovaný, clamp                | pre Ecoflex 10 Plus HEATEX   | 6,40        |
| 7395                   | N male nespájkovaný, clamp                | pre Ecoflex 15 Plus  | 9,84        |
| 7397                   | N female nespájkovaný, clamp              | pre Ecoflex 15 Plus  | 10,34       |
| 7351                   | N male nespájkovaný, clamp                | pre Ecoflex 15 HEATEX  | 10,03       |
| 7395                   | N male PRO, HTX                           | pre Ecoflex 15 HEATEX  | 11,71       |
| 7352                   | N female nespájkovaný, clamp, HTX         | pre Ecoflex 15 HEATEX  | 10,82       |
| 7341                   | N female na panel, 4 skrutky, 25.4mm      |  | 2,47        |
| 7342                   | N female na panel, 4 skrutky, 18.5mm      |  | 2,95        |
| <b>Konektory SMA</b>   |   |  |             |
| 7752                   | SMA male do pravého uhla crimp            | pre Aircell5, RG58   | 3,62        |
| 7750                   | SMA male crimp                            | pre Aircell5, RG58   | 3,25        |

| <b>Obj. číslo</b>        | <b>Názov</b>                         | <b>Popis</b>                                      | <b>Cena</b> |
|--------------------------|--------------------------------------|---|-------------|
